Get ready for Summer Shakedown

- Summer Shakedown is a one-stop shop for teens to learn about the opportunities available to them through the Collaborative during the summer.
- Training is required for Summer Shakedown participants who have not received Fundamentals training since Fall 2021.
 - ACEs training- May 4, 1-3pm at Mary Black Foundation
 - Implicit Bias training- May 11, 1-3pm at Mary Black Foundation
 - Please register for trainings here: 
- The website to sign up as a Summer Shakedown program will come soon.

The Sound of Learning

The Sound of Learning is empowering youth through song and dance.

The Sound of Learning provides students of all ages with the unique experience of being inspired through song and dance. Founder of The Sound of Learning, Fredrick Reeves aka Son of Ice, performs educational and inspirational songs that focus on turning negative thoughts and actions into positive ones. The performances help improve students' working memory, listening and hearing process, social interaction skills, and language structures. As a role model to youth, Son of Ice encourages students to study, strive, and treat others with respect.

The Sound of Learning also hosts workshops for students to create their own songs and dances.

The Sound of Learning is currently looking for more middle and high schools to get connected with.

Thank you, The Sound of Learning, for all you are doing for our youth!
